

Foothold

Supporting engineers

FINISH!

START

Colour in the thermometer to reach your fundraising target.

Together we can ensure no engineer or their family needs to face life's challenges alone.

We want to raise £ _____

By _____

The money we receive through donations helps us provide life-changing support to engineers and their families around the world.

Every penny you raise will help us provide this support to even more people in our community, and will ensure we can continue to be there when it matters most.
